

# Food, glorious food

In partnering with famed restaurateurs and Michelin-Starred chefs from NYC, we've ditched buffets and pre-set dining times to bring you made-to-order food and leisurely brunches from our 20+ unique eateries — with a bar in every specialty one. All the food is 'On Us' — meaning no exclusive spots you have to pay to get into.

Pairing fresh ingredients and vibrant flavors with ever-evolving ways to experience food, we've elevated and diversified our menus while minimizing waste by only cooking what's been ordered. It's a win for your stomach and a win for the planet.

## 20+ Eateries On Us

From steakhouses and Korean BBQ to drag brunches and an international food market, any and all eateries are on us — with a bar in every specialty spot.

## No Buffets Or Big Dining Halls

With unique spaces and diverse options, we've ditched the one-big-dining-hall experience and said goodbye to buffets.

## Late-Night Bites

Whether you're craving a late-night snack from our noodle bar, a slice of pizza, or a burger at our 24/7 diner — your schedule doesn't stop, so neither will ours.

## Made-To-Order

Every eatery has its own kitchen and an executive chef — and all our food is fresh and made-to-order, never mass produced.

## Fresh Is Best

Balance is key, so we offer vegan and gluten-free options — always created from the freshest ingredients.

## Michelin-Starred Chefs

World-class Chefs like Brad Farmerie (of PUBLIC in NYC) and Sohui Kim (of The Good Fork and Insa in NYC) are a few of the names behind our incredible menus.
